Mr. Shiv Sarjoo
Quality Assurance Manager

CPC Pumps International
1585 Enterprise Rd.
Mississauga, ON
L4W 4L4

Dear Mr. Sarjoo:

A re-assessment of your quality program implementation indicates that it is acceptable to Ontario Power Generation Inc. based on the review and acceptance of corrective actions 003096-05-1 to 003096-05-5.

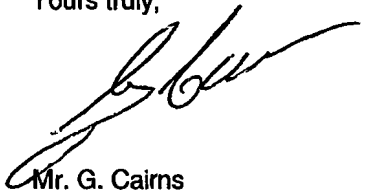

Quality Program:	CSA Z299.3-1985
Quality Program Manual:	CPC QA Manual, Revision 0, dated 21-Feb-2005
Facility/Division:	Mississauga, Ontario
For the manufacture of:	Non-nuclear vertical & horizontal pumps & accessories.

This acceptance is valid until 22-Apr-2008. It is your organization's responsibility to ensure that this quality program is maintained. Your program is subject to periodic audit by Ontario Power Generation Inc. or our agents. Acceptance of this program may be withdrawn if surveillance or performance audits reveal that your practices deviate from quality program requirements.

Please inform me of any changes to management, company policy, quality manual or program, quality representative, staff levels, or other corporate developments which impact on your quality program.

This acceptance is not intended to imply that Ontario Power Generation Inc. in any way guarantees, endorses or warrants the quality of your products for any purpose or to any customer.

Yours truly,

Mr. G. Cairns
Manager,

Attention: Mr. Fred Blumentrath, President

Reference: 1. **United Pumps' Quality Program Governing the Manufacture of Nuclear and Non-Nuclear Centrifugal Pumps at your Etobicoke Facilities**
 2. **CSA Z299.3 (1985) Quality Program Standard**
 3. **NPM Quality Audit 1995 September 26**

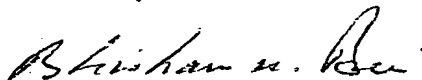

Dear Mr. Blumentrath:

We have assessed your Quality Program with respect to the product line referenced and found it acceptable for our purpose. This is based on our in-plant review of your Program.

This acceptance is not intended to imply that NPM in any way guarantees, endorses or warrants the quality of your products for any purposes or to any customers.

It is your responsibility to ensure that this Quality Program is maintained at all times. Program acceptance may be withdrawn should surveillance or audit reveal that your practice deviates from the requirements.

Yours truly,

B.K. Beri, Manager

Gentlemen:

RE: VENDOR QUALIFICATION PROGRAM

We would like to thank you for submitting your letter to update us on your present status regarding certification and your intentions towards Approved Vendor status at Suncor.

After careful review of the documentation provided and past performance, Suncor rated your company's Program Status as A3.

QUALITY PROGRAM STATUS:

A1	Approved Program & Implementation Audit Acceptable	A2	Approved Program & Implementation Audit not performed
A3	Approved Based on Documented Performance	Pr	Probation: Field Implementation Audit; Source Surveillance required; Performance Deficiencies
P	Pending: Quality Program review in progress	R	Rejected: Quality Program does not meet Suncor's standards

It is Suncor's expectation that Vendors keep us up to date on certification status regardless of the present quality program status rating.

If you require further information or clarification, please contact the undersigned at (403) 743-6680.

Yours truly,

SUNCOR INC.,
